12. Admission Procedure

Students seeking admission after Higher Secondary Examination of the Assam Higher Secondary Education Council, or its equivalent are admitted through a Common Entrance Examination conducted by the Government of Assam.

The Government of Assam also conducts a Lateral Entrance Examination for Lateral Entry which can be opted after completion of the 3-year Polytechnic Diploma from the state of Assam for getting admitted to the B.E. programs in 3rd semester.

Candidates for the general seats shall be selected strictly on the basis of merit of the Common Entrance Examination (CEE) conducted by the Director of Technical Education, Assam, in places and times notified by the Director of Technical Education in Assam Gazette and newspapers every year. The test is normally held in the month of May. In the admission test, candidates must appear in the following papers carrying only Multiple Choice Questions (MCQ):

Mathematics 100 Marks in 2 Hours

Physics 100 Marks in 2 Hours

Chemistry 100 Marks in 2 Hours

The Director of Technical Education, Assam, will publish the merit list based on the results of the Common Entrance Examination (CEE), and candidates will be selected in order of merit from the list. Candidates belonging to Scheduled Castes/Scheduled Tribes or any other categories must also appear in the Common Entrance Examination (CEE). They will, however, be selected against the quota reserved for them according to merit.

Choice of Course of Study

Candidates must indicate in the application form the branch of Engineering they wish to pursue in the order of their preference. They shall be allotted their branches of study on the basis of their preference and their performance in the Common Entrance Examination (CEE).
